

### **Falmouth MAT vision**

‘Putting our learners first’

Each school in Falmouth MAT has its own individuality but we all believe that by working together we will improve the life chances of the young people of the Falmouth area.

Together we will be able to improve;

- learning experiences
- assessment
- professional development of staff and governors
- access to shared expertise and specialist resources
- economies of scale and cost effectiveness

We share core values embodied by;

Aspire

Achieve

Respect

Enrich
